### Colonial Life Benefits:

- **Colonial Life Accident Insurance** - helps pay unexpected expenses for covered accidents. Every accident leaves expenses not covered by major medical plans. This plan helps offset medical expenses such as emergency room fees, deductibles and co-payments that may result from a fracture, dislocation or other covered accident. Cover children or spouse.
- **Colonial Life Critical Illness** - supplements your major medical coverage by providing a lump-sum benefit that you can use to pay for costs related to a covered critical illness. Includes Cancer coverage.
- **Colonial Life Short Term Disability** - replaces a portion of your lost income to help make ends meet if you become disabled from a covered accident or sickness.

Pricing for Colonial Life benefits could not be integrated into the Paycom system. For all pricing, questions and to enroll, you will need to speak with your Benefit Counselor via phone and/or virtual appointment.

Click the above link or scan the QR code or call to schedule a day and time for your benefit counselor to call you and answer your questions. They will call you at that scheduled date and time. If you have an iPhone, you will need to go to Settings and turn off "Silence Incoming Calls" feature, so you do not miss the Benefit Counselor's call. You can turn it back on after your appointment is completed. For assistance with making an appointment, please call: **888-319-4315**. Leave a detailed message that you are a New Hire with Roger Cleveland Golf, your name and contact information. A Benefits Counselor will return your call as soon as possible.
